

PRIDE NAME: _____

DIRECTIONS:

Your task today is to create an identity for your Pride. Working as a team, you will create a Pride name and Pride symbols to represent your group.

IDENTITY

- As a Pride, discuss the character traits you have in common. Character traits are personal qualities, not physical descriptions. (Example: We are all brave, athletic, etc.)
 - What is the most important character trait your Pride shares? _____

 - Which animal from the box below also shares this trait? _____

 - Combine your character trait with your animal to determine your Pride name. (Examples: the Brave Lions, the Athletic Cheetahs.) Write your Pride name here and on the top of this worksheet. _____
- Your teacher will distribute blank totems to your Pride Leader. Each of you will decorate a totem to represent your group and Pride name. While your totem will be unique, all totems will represent your Pride identity.

AFRICAN ANIMALS

Lions	Elephants
Hyenas	Cheetahs
Warthogs	Meerkats
Hornbill Birds	Gazelle
Zebras	Rhinoceros
Giraffes	Mandrills
