COLLABORATION:	The Pride	The Pride	The Pride	The Pride
Working as a Pride to reach a goal in a positive and successful way.	Actively included all members and each member had a specific role for the day.  Worked together with no real conflict, and/or disagreements easily led to better ideas and deeper understanding.  Established a "best idea wins" mentality and put the work before individual needs.  Had a successful day of work and the Pride members formed deeper bonds.	Successfully included all members during the work for the day. Worked together with no real conflict, and/or disagreements eventually led to better ideas and deeper understanding. Put the work first and piggy-backed on ideas well. Worked well together and had a successful day of work.	Tried to include all group members; some may have felt left out. Attempted to work together, but had an unproductive disagreement. Struggled with building off of each other's ideas, and individual preferences sometimes won out. Was able to recover from disagreements and keep working.	Was not inclusive of all of its membersHad an unproductive disagreement, resulting in real conflictDid not build off of each other's ideas, or an individual's preferences were exclusively pursuedWas not able to recover from disagreements and stopped working.
CREATIVITY:  Developing ideas into new and novel solutions.	Generated many imaginative and original solutions and successfully developed one into a novel resultEncouraged all members to express themselves fully and infused their own personalities into their artWorked flexibly and nimbly used all limitations or resources to inform their workRemained motivated by the task at hand and found joy in creating ideas or art for the Pride members' own fulfillment.	Generated an imaginative and original solution and successfully developed it into a novel result.  Encouraged many members to creatively express themselves.  Worked flexibly and used some limitations or resources to inform its work.  Remained motivated by the task at hand and certain extrinsic factors. While the Pride members found some joy in creating ideas or art for their own fulfillment, they were also motivated by extrinsic factors.	Generated a rudimentary solution or replicated an existing idea (example: replicated designs from The Lion King on Broadway) Encouraged a few members to express themselves during the Pride work or share. Attempted a solution, but sometimes struggled with flexibility and saw limitations as a road block. Overcame initial motivation struggles when reminded of academic achievement or audience response.	Did not generate any solutions or did not understand the Challenge SheetWas not comfortable with self-expression, and no members of the Pride expressed themselves at any point in the sessionWas inflexible; if a limitation or unexpected resource was encountered, the Pride members gave upWas unmotivated by both intrinsic and extrinsic factors.
